

Required Cybersecurity Awareness Bi-Annual Training Update

USG's Cybersecurity Awareness Training dates have been expanded!

Mark your calendars now for the new upcoming dates.

Spring 2023: March 1st - April 30th.

Fall 2023: September 1st - October 31st

First Friday is here! Join us April 7th!

Need technology help? Swing by First Fridays each month (the first Friday) between 10 AM and 2 PM for assistance from the UITs Training Team. Get personalized one-on-one help from one of our trainers in Pilcher 243. Check [HERE](#) for the schedule.

What's up with IT?

Have you ever had a problem logging into an application and wondered, "Is it me, or is this application not working right?"

Visit our [IT Status page](#) for a quick check. You can subscribe and get updates straight to your phone or email!

Adobe Creative Cloud Access for Students Ends July 1, 2023

Student access to the Adobe Creative Cloud will end on July 1, 2023.

Students may still access the full Adobe Suite through any campus computer lab. Students may also purchase their own license at a discounted rate through [Adobe](#).

UITs Documentation Center Replaced by ServiceNow Knowledge Base

There's a great new place to get information about campus technology!

The [ServiceNow Knowledge Base](#) is replacing the UITs Documentation Center.

Discover this handy source for documentation about campus-supported software.

Did You Know There's a Required Training Dashboard?

Did you know there's a required annual training dashboard? The Training Dashboard displays the status of annually required faculty and staff trainings, including due dates, completion rates, and the status of any direct reports! To view: Visit [Owl Express](#) > Employee Services > Training Dashboard

Kahoot! Is Available at KSU!

Kennesaw State University has purchased 500 Kahoot! educational licenses for the campus. With Kahoot! EDU (K!EDU) you will have access to the highest level of premium features that Kahoot! has to offer.

To join our Kahoot! EDU plan, you will be able to either create a new account or connect an existing account. If you need to connect an existing account, please read through the scenarios below and follow the instructions that pertain to you to ensure all of your Kahoots migrate over properly.

1. If your current account is under another email, e.g., a personal email, and you want that to become your KSU account on EDU - you will first need to log into your existing account (e.g., a personal email), go to your profile settings, and change your email address to your KSU email; then you will be able to join the KSU Kahoot! EDU account via the link below and upgrade your existing account.

2. If your existing account is free/basic then you are ready to go; please read number four below before accepting your invite.

3. If you have paid for an upgraded account yourself, you will want to ensure that all of your Kahoots are saved in your personal folder on your account (some of the upgraded accounts also have a "team folder" where your Kahoots may have been saved). Once you confirm this and move your Kahoots if needed, you will be able to click the join link below from your organization to upgrade to EDU. *Please be sure to schedule a cancellation of your original purchase.*

4. Kahoots from your original account will go to your new K!EDU plan *so long as the above steps are followed*. They will be found in your personal workspace once upgraded.

Please click this [Join Here Link](#) and follow the prompts to create an account or connect an existing account.

Check out our [Kahoot Guides](#) for more information on how to access, navigate, create, and play Kahoot!

Want more info on how to get the most from your K! EDU? Here are additional vendor resources for Kahoot:
