

Email Consolidation Milestone Timeline

Email Milestone
External Milestone

- Notes:**
- All timelines are estimated
 - KSU graduate students will be issued @grad.kennesaw.edu accounts on 10-15-14, this provides necessary licenses for the provisioning of additional Faculty and Staff to the enterprise email service. All previously unused accounts will be decommissioned on 12-18-14.
 - Graduate accounts will have until May, 1 2015 to migrate all emails to the newly provisioned account.
 - Email services will be available to all new faculty and staff at the consolidated KSU by 1-20-15.
 - Former SPSU Faculty and Staff will retain production access to their@spsu domain to facilitate Spring and Summer instruction through 9-11-15.
 - Post Big Bang 2-16-15, in accordance with Enrollment Services needs, all students will be issued an @students.kennesaw and @grad.kennesaw email account for communication and registration purposes.
 - New student accounts will be provisioned at each additional sync of SPSU Banner into consolidated KSU Banner (Spring and Summer Bangs)
 - All prospective or incoming students are provisioned email accounts for communication purposes from this point forward. All currently enrolled SPSU will retain the @spsu to facilitate Spring and Summer instruction.
 - In conjunction with final grade submissions and the Banner Summer Sync all@spsu domain accounts for students, faculty, staff, and graduates will be locked on 9-11-15 for view only access, in order to facilitate data migration/reconciliation.
 - Custom rules for all SPSU domain bound email be redirected to KSU domain on 9-11-15.
 - Data migration for Faculty and Staff will be performed by email admins. Student will be provided documentation
 - The @spsu email system will be left online until Spring 2016. All related infrastructure will sunset Summer 2016.
